TAKEUCHI ANNOUNCES NEW DEALERSHIP IN SOUTHEAST REGION

Atlanta, GA: Takeuchi-US is pleased to announce that Crain Tractor and Equipment, located in Columbia, Mississippi, has recently joined the family of dealerships representing the Takeuchi full line of compact earthmoving equipment.

Crain Tractor and Equipment was established in 1956 and has provided agricultural and industrial products to their customer base in central Mississippi. Crain also maintains a fully staffed parts department as well as a complete service department to ensure that their customers are satisfied and working with minimal downtime. A dedicated sales staff will market the Takeuchi products and fortify with superior after market support.

Takeuchi is pleased to have Crain Tractor and Equipment as a strategic partner in Mississippi. We look forward to a long and prosperous relationship and wish Crain Tractor continued success.

Takeuchi is an ISO 9001 certified manufacturer of an extensive line of compact track loaders, compact excavators, and compact wheel loaders. Founded in 1963, Takeuchi was the first company to introduce the compact excavator to North America, setting the stage for one of the highest growth product segments ever introduced in the compact equipment market. The compact excavator has become a main line product for both rental and construction/utility companies. Takeuchi continued to lead the compact construction industry with the introduction of the first compact track loader to North America.
