TAKEUCHI ANNOUNCES RON HOLMES AS WAREHOUSE OPERATIONS MANAGER.

Atlanta, GA: Takeuchi-US, an innovative global leader in compact equipment, has introduced Ron Holmes as warehouse operations manager, effective immediately. Based out of Takeuchi-US headquarters in Pendergrass, Georgia, Mr. Holmes' main responsibilities include providing materials, equipment and supplies by directing receiving, warehousing and distribution services, in addition to supervising staff.

Mr. Holmes brings over 10 years of e-commerce and operations leadership to this brand-new position within the company.

In Mr. Holmes' previous position he served as the department manager where he oversaw 80 associates and managed daily operations of direct-to-customer outbound shipments. He has a Bachelor of Science in Management from the National Louis University in Atlanta, Georgia.

“We are excited to have Ron join our Takeuchi family as we grow our parts and machine distribution operations here,” said Jeff Stewart, vice president and general manager at Takeuchi-US. “His excellent interpersonal skills and operations experience will help unify the warehouse and move productivity to new levels.”

About Takeuchi

Takeuchi is an ISO 9001 certified manufacturer of an extensive line of compact track loaders, compact excavators, compact wheel loaders, and skid steer loaders. Founded in 1963, Takeuchi was the first company to introduce the compact excavator to North America, setting the stage for one of the highest growth product segments ever introduced in the compact equipment market. The compact excavator has become a main line product for both rental and construction/utility companies. Takeuchi continued to lead the compact construction industry with the introduction of the first compact track loader to North America.
