TAKEUCHI ANNOUNCES EQUIPMENTSHARE AS NEW DEALER IN COLUMBIA, MISSOURI

Atlanta, GA: Takeuchi-US, an innovative global leader in compact equipment, has introduced [EquipmentShare](#) as a new dealer. Located in Columbia, MO they will be selling the full range of Takeuchi track loaders, excavators and wheel loaders. In addition to stocking parts, this location will also be an authorized Takeuchi equipment repair center to support new and existing customers.

Established in 2014, EquipmentShare provides multiple lines of equipment manufacturers for a wide variety of customers, from large commercial construction to local contractors.

"We're very familiar with the Takeuchi brand," said Jabbok Schlacks, president at EquipmentShare. "Takeuchi products continue to gain momentum in the market, and customers have come to love their products for their durability and operator comfort. We are excited to feature them at our Columbia location."

"EquipmentShare was founded by industry veterans that have decades of experience," said Henry Lawson, director of sales at Takeuchi-US. "We are extremely confident they will do a great job for Takeuchi, not only with our products but supporting our customers in Columbia. We are excited to work with EquipmentShare and fully believe our products will do well."

About Takeuchi

Takeuchi is an ISO 9001 certified manufacturer of an extensive line of compact track loaders, compact excavators, compact wheel loaders, and skid steer loaders. Founded in 1963, Takeuchi was the first company to introduce the compact excavator to North America, setting the stage for one of the highest growth product segments ever introduced in the compact equipment market. The compact excavator has become a main line product for both rental and construction/utility companies. Takeuchi continued to lead the compact construction industry with the introduction of the first compact track loader to North America.
